How to Find the Online Praxis Study Aids Available through the LearningExpress Library (Alabama Virtual Library)

Accessing the LearningExpress Library:

- Go to the “LearningExpress Library” (AU Login is required). The link is also available in the Libraries' list of Databases.
- On the “LearningExpress Library” homepage, find the box at the bottom of the page and create an account.

Creating an Account:

In order to access the guides and practice tests, you must create an account.

1. There are two options: “Login” or “Register”.
2. If you already have an account, enter your username and password. Then, click “Login”.
3. If you do not have an account, click on the “Register” link. You can choose to register with or without an email address. If you choose “with”, this will become your username. If you choose “without”, you will create a username, as well as choosing a security question.

Accessing the Praxis Practice Tests:

- In the blue banner at the top of the page, move your cursor over "All Centers" and then click on "Career Center."
- On the Career Center page, click on the link "Prepare for an Occupation Exam."
• Scroll down until you find "Teaching" in the menu on the left and click on it.
• There you will find links to:
  o Praxis® Core Tests
  o Praxis II® Subject Assessments
• Make your selection for study materials at that point. You may also bookmark or make the page a favorite and login at that point to access the materials you choose.
